FOREWORD

It is our fondest desire that as you open this 1942 MONTICELLO, memories which you have long cherished will once again seem real. From the very first, our days at Jefferson were enjoyable ones because of the friendly atmosphere created by our amiable faculty and students. Here we present to you the pictures of our school's activities at their best—faculty, seniors, underclassmen, organizations, leaders, and even—our loves.

CLASS HISTORY

As Silly Sophomores

In our sophomore year we lived up to the meaning of our title—sophomores; sophos (wise) and moros (foolish). Because we were just beginning a senior high school, there were no senior high student body officers. Our council activities were governed by the Junior High president, Doris Polk; while the traffic was directed by the vice-president, Charlotte Curry. Marcelo Maseda ably captained our football team.

We Had Only One More Year

During the first half of our junior year Bill Sadler and Johnny Black were president and vice-president of our student body. Elsie Cooper and Charlotte Curry were elected heads of our student council and traffic court for the second semester. Darrell (D.A.) Borders was captain of the football team. For the first time we elected class officers. Donald Young became president, while Claude Wilson was our vice-president.

We Came, We Saw, We Conquered

At last we were the dignified seniors we had long dreamed of becoming. Jefferson was gaining more attention now that it was a complete senior high with seniors who sought to set an example for the school. During the first semester Joe Leone and Walter Manning were our class president and vice-president. Claude Wilson was head of the Student Council with Daniel Stoun as vice-president. In the student council election for the second part of the year, officers chosen to guide our student activities and traffic were Tony Rocha and Olga Martinez. Jack Borden was football captain. We elected Claude Wilson and Donald Young president and vice-president of the senior class. To represent us at Rotary and Lion's Club meetings we chose Lawrence Gunter and Claude Wilson for the first semester and Donald Young and Claude Wilson for the second semester. Our rifle team consisting entirely of seniors, won first place in the Fourth Corps Area Intercollegiate Rifle Match.

ACOSTA, RUDY

*In work or play he's never slacking
So in friends or fun he's never lacking.*

ACTIVITIES

OUR BAND MARCHES ON WITH SUCCESS

If it's gold trousers and blue coats, it's the Jefferson Band in full dress. Really, they are our greatest pride. After the cooperation of the faculty, players, and students, under the leadership of Mrs. Sara Tyler Webb, the members were able to don these beautiful uniforms. Since the arrival of Mrs. Webb, our very able director, our band has grown to a membership of fifty-five. Participating in R.O.T.C. dress parades, giving school assembly programs, and performing for various organizations keeps our band players busy while steadily marching ahead for us. They have, indeed, done much to build a fine school spirit in all of us.

HOW WE GREW

Faculty Adviser
MRS. DEBBIE
SANBORN

During the second semester that Thomas Jefferson was a high school, the first Student Council was formed with Bill Sadler as president. With the aid of a faculty committee a constitution was drawn up and adopted. This was the main project of the semester.

Elsie Cooper was elected president of the next Student Council. During this semester, money was raised for the loud speaking system for our auditorium, but the greatest project was the making of a handbook. With the help of Mrs. Langston, Miss Butler, and the junior high council, the handbook was published. The school seal was made and donated by Gerry Winsett.

The activities during the past year were wide and varied. The Student Council sponsored a carnival, participated in the forming of the Hillsborough County Federation of Student Councils, published a traffic court manual for the school, and assisted in many other ways in the different activities of the school.

The objective of the Diversified Cooperative Training program is to prepare high school students for early entrance into their chosen occupation while still in school.

Students spend two hours per day studying directly related material which is coordinated with their work

job. They spend four or more hours per day in some business firm learning the real job under actual conditions. Each student receives school credit toward graduation and a small wage for his work.

THE KEY CLUB

Composed of the key youth of the school, it is for its members a drill ground for community leadership. In the school, it generally carries out the wishes of the principal in all school matters and projects. The club holds weekly luncheons attended by some mem-

ber of the Kiwanis Club, its sponsoring organization, as guest. Organized this year, the club received its charter during the state convention held here.

HONOR SOCIETY

The National Honor Society granted us a charter this year. Members of the society from Hillsborough and Plant High Schools officiated at our first induction. The members are selected from the upper fifteen percent of each graduating class. This year we were permitted to select also ten percent of the present Senior B class. Membership must be based upon high scholarship, leadership, good character, and service. From this group come the Valedictorian, Salutatorian, and Essayists at Commencement.

Members of the annual staff this year were selected upon their willingness to work. And work was necessary in order to publish this our first annual. We have had wonderful cooperation from many who have not been associated with us as members, especially Olga Almengual, George Selby, and Claude Wilson. We appreciate all consideration shown us by our classmates, our faculty, our sponsors, and various individuals outside who do not care to be mentioned. We receive no scholastic credit, only a certain amount of satisfaction in knowing we have tried our best to give our fellow students a record (however pictorial it just had to be) of this our first year as a senior high.

THE JEFFERSONIAN, our official school paper, first appeared in the fall of 1939, with the beginning of the Senior High. Mrs. Myrl Moore has been the faculty sponsor and journalism teacher these three years of publication. Lieut. Colonel

C. C. BOND

The R.O.T.C. unit was organized at the beginning of the 1939-40 term. Sergeant W. W. Wallace, military instructor at Plant, was the instructor, but the unit had no cadet officers. At the beginning of the new semester, Sergeant M. L. Beaman took charge of the unit. By order of Colonel A. L. P. Johnson, Professor of Military Science and Tactics, three boys, Lee Barbour, James McPherson, and Ace Allen, were appointed non-commissioned officers to alternate as company commanders and battalion commanders.

In the second year about one hundred and seventy-five boys enrolled. Fifteen of these boys were appointed to take the senior course in R.O.T.C. In February of 1941, Sergeant C. C. Bond, our present instructor, took charge when Sergeant Beaman was

transferred to Hillsborough. In March the seniors received sabers purchased with donations made by Tampa merchants. Commissions of second lieutenant to major were granted.

At the end of this second year during federal inspection, our unit distinguished itself by winning the General Summerall Trophy "for excellence" in competition with the Hillsborough and Plant R.O.T.C. units. Company "M," commanded by Cadet Captain Southwick, distinguished itself at the same time by winning the award for "the best drilled" company of the three units.

In January 1942, Colonel Johnson left for active duty in Australia. He was succeeded as Professor of Military Science and Tactics by Lieutenant H. N. Scales.

SOMETHING TO BE PROUD OF

Our rifle team was organized in December, 1939, but due to the inexperience of the boys, little success was attained. In the next school year, however, with the same boys on the team, we won several matches against Hillsborough, Plant, and K. M. I. We also placed ninth in the Fourth Corps Area Rifle Match.

After having been in existence for only three years the team reached the pinnacle of success. With several

charter members, it became the first team of Tampa to win the Fourth Corps Area Rifle Match. In this contest, which is fired against twenty-three other schools in nine states of the South, the ten boys with high scores received bronze medals from the War Department.

The following is the list of the boys who won the Match and their individual scores:

George Selby -	380	Bert Pooley -	371	Donald Young -	366
Philip Kirby -	361	Russell Southwick	360	George Mentouri	358

Claude Wilson -	346				

Our next contest was for the William Randolph Hearst Trophy. In this match we placed with a score of 891 out of 1000. Only five boys, George Selby, Bert Pooley, Russell Southwick, Philip Kirby, and Donald Young, fired. George Selby was accredited with the third highest individual score.

On Friday, March 27, a match was fired between the fifteen boys in Tampa with high scores in the Fourth Corps Area Match. This was a North-South Match against Bangor, Maine, for the possession of a trophy which is held by the winning team for the ensuing year.

By this match the ten members of the All-Tampa Rifle Team are determined. The Tampa team won the trophy. Jefferson placed three men on this team: George Selby, Ace Allen, and Bert Pooley.

In the matches participated in during this school year, the following boys attained a rating of "expert riflemen": Donald Young, Ace Allen, George Selby, Russell Southwick, Bert Pooley, and Philip Kirby.

Much credit for the success of our rifle team can be placed directly upon Sgt. Bond, instructor of our school unit.

UNDERWOOD
Director

George Adler, their nephew - - - - - DIEGO ALMENGUAL
Gwen Marshall, socially elite - - - - - PAULETTE SAINTOUT
Mr. Watson, of United Motors - - - - - RUSSELL SOUTHWICK

PLOT

Dad, the dictator, invents things. He had one good invention which was stolen from him by Henry Adler, who became rich from it. Now Dad has another invention. Aunt Gertrude wants Dad to be friendly with Adler and sell him the invention for \$10,000. Dad won't do it. Richie wants to take Louise to a dance, but he hasn't a car. George loans him Henry's car, which Richie smashes up. He lands in jail with serious charges against him. Henry uses

this to force Dad to sign away his invention for \$10,000. It seems Dad is defeated, but at the last moment, the United Motors man comes in and tells them the invention is worthless, since someone else has already patented the idea. Everybody is happy then, for Adler is defeated, they have money to live on and Dad really understands his family for the first time.

PLAY STAFF

Left to Right: Betty Gray, publicity chairman; Jackie Touchstone, advertising; Anita Marcadis, make-up; Raymond Osteen, properties; Ace Allen, stage; Marie Smith, costumes; Gertrude Wisda, light properties; Mary Fernandez, business mgr.; Irvin Lane, electrician.

THE DRAGONS

FIRST ROW, *Left to Right*: Henry Fagan, Marvin Dawkins, mgr.; Alfonso Marchetta, Jack Borden, Joe Di Salvo, Byron Dawkins, Leslie Colley, mgr. SECOND ROW: Tony Salinero, Robert Santana, Angel Valdez, Calvin Baker, Jay Schaibly, Carl Overstreet, Louis Mattisini, Bernie Baggett. THIRD ROW: Asst. Coach Richard Spoto, Billy Ragsdale, Donald Britt, Robert Lentz, Philip Kirby, Bill Sadler, Robert Reed, Albert Mote, Edwin Holton, Coach Harker. NOT SHOWN: D. A. Borders, Tony Leto, Mario Ippolito, Eugene Lewis, Paul Schaibly.

OUR FOOTBALL HISTORY

In 1939 Jefferson became a high school. With all the excitement, plans, and organization came talent from all parts of the city. This talent was to make the school what it is today. In the organization, of course, came sports. W. E. Harker was appointed head coach. He called the first practice of a Jefferson high team late in August. About twenty odd boys appeared at that practice—and they were *odd*; small but willing boys who found the first few practices hard and tiresome. But the soreness of arms and legs gradually disappeared. Coach weeded out the boys who didn't show up so well and prepared the other boys for their first game—against Dade City. Among these boys were Marcelo Maseda, who proved to be a fine football player and equally good in basketball and baseball. He was elected captain and led his team over a rocky first year losing the majority of the games but retaining that hard fighting Jefferson spirit.

Then came 1940—a better year although meeting better and more experienced teams. We met, this year, for the first time in our football history, other city teams—Jesuit and Plant. We lost both, but bowed graciously. D. A. Borders starred as the best player and was elected captain.

But let us now turn to a brighter field and the present time. The first Jefferson Senior High team took to the field. It sounds good, doesn't it? I don't say this as a question to be answered, for if you are a loyal Jeffersonian, there is no question in your mind. These spirited players took to the field in sparkling uniforms and felt the thrill and glory of wearing the good old Gold and Blue. They heard the cry for victory but

could not answer, for they lost the first game. Yet the boys said "Never say Die," and went on to glory by trimming Clearwater, a team that had tied Hillsborough. This brought the sweet taste of victory home. On and on we went for five straight wins, but then defeat struck—due mainly to injury of a couple of our key men—and stayed with the team for the remaining three games on the schedule. Although this did not hurt the spirit, it hurt the heart of each and every player and a swell coach. This first high school football season ended with five wins and four defeats. Jack Borden was elected captain.

The Typhoons (B team) won three games out of six with Hillsborough, Plant, and St. Petersburg.

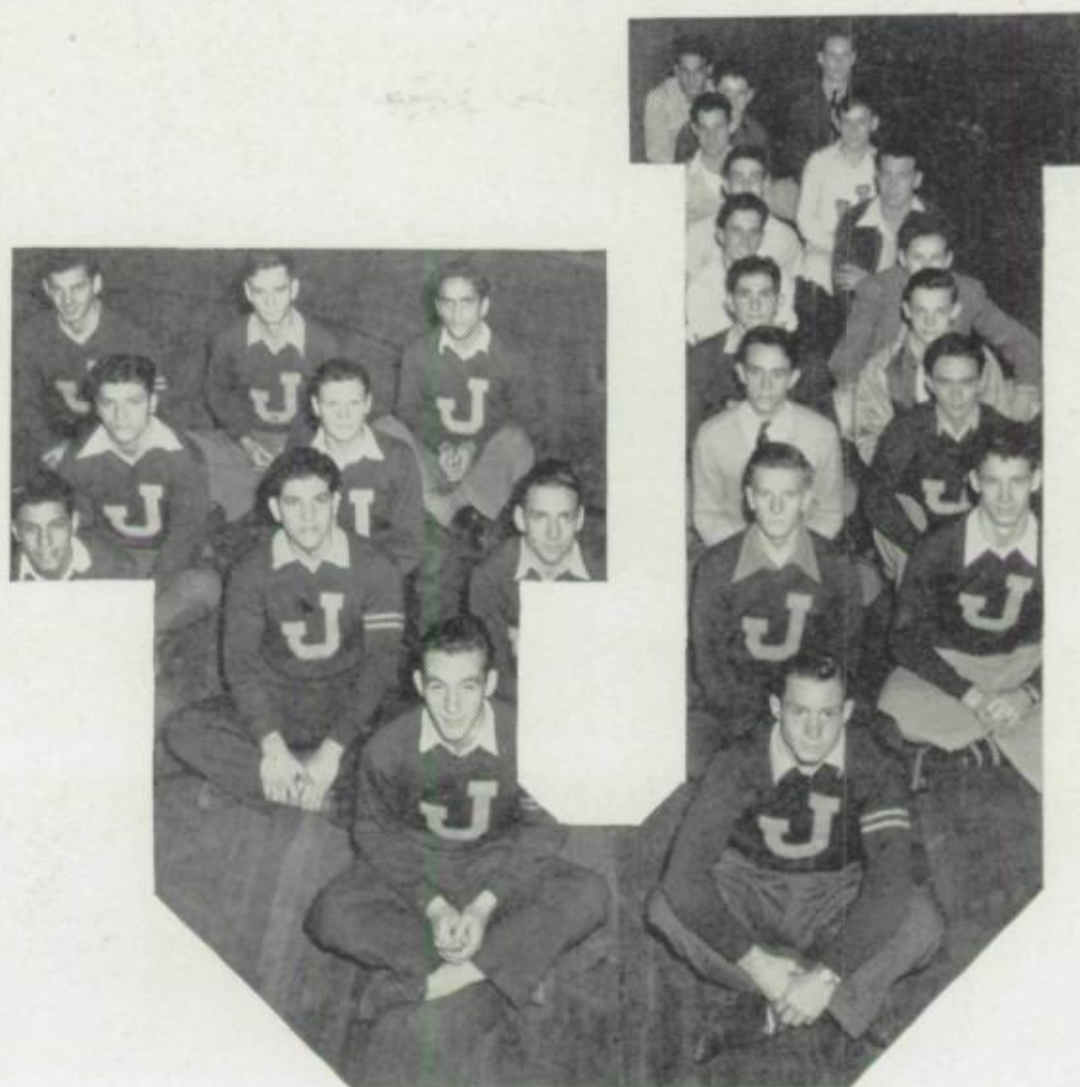

Because most of these boys are now graduating, let us not forget them and all their sacrifices. May they go on to win more glory and fame in other parts of this world.

CHEERLEADERS

FIRST ROW, *Left to Right*: Joyce Brantley, Elsie Cooper, Margaret Payne, Peggy Sipple. SECOND ROW: Olen Griffin, Walter Manning, Woodrow Wilson, Claude Wilson, Jack Dawkins.

EVERYBODY YELL!

All the *Pep* is not on the gridiron. The cheerleaders, a group of students with that old school spirit, five boys and five girls, are elected by the student body from a list of selected candidates. By

promoting school spirit and sportsmanship, by keeping order at the school games, and by organizing cheering squads, they go far toward making high school sports more colorful.

THE J-CLUB

FIRST ROW, *Left to Right*: Margaret Payne, Joyce Brantley, Rosa Lee Davis, Lena Cannella, Peggy Sipple. SECOND ROW: Doris Martinez, Marvene Gaver, Josephine Hensel, Alice Price, Clara Lorton, Marie Smith. THIRD ROW: Woodrow Wilson, Walter Manning, Claude Wilson, Jack Dawkins.

Membership in the J Club is limited to those boys who have earned a major school letter other than in sports, and to girls who have won any major school letters. This usually means the cheerleaders and girls of the basketball team.

GOLDEN DRAGON CAGERS

The Jefferson Golden Dragon Quintet ended their season with seven victories and fourteen defeats, winning two in the District Tournament and losing to Andrew Jackson in the State Tournament. A brilliant victory over Lakeland qualified the Dragons for the State Tournament. On a trip to the East Coast the Dragons were victorious over Ft. Lauderdale and Ponce de Leon of Coral Gables, but lost a close game to Miami Beach. Lack of any one individual high scorer was the main reason for the loss of quite a few close games.

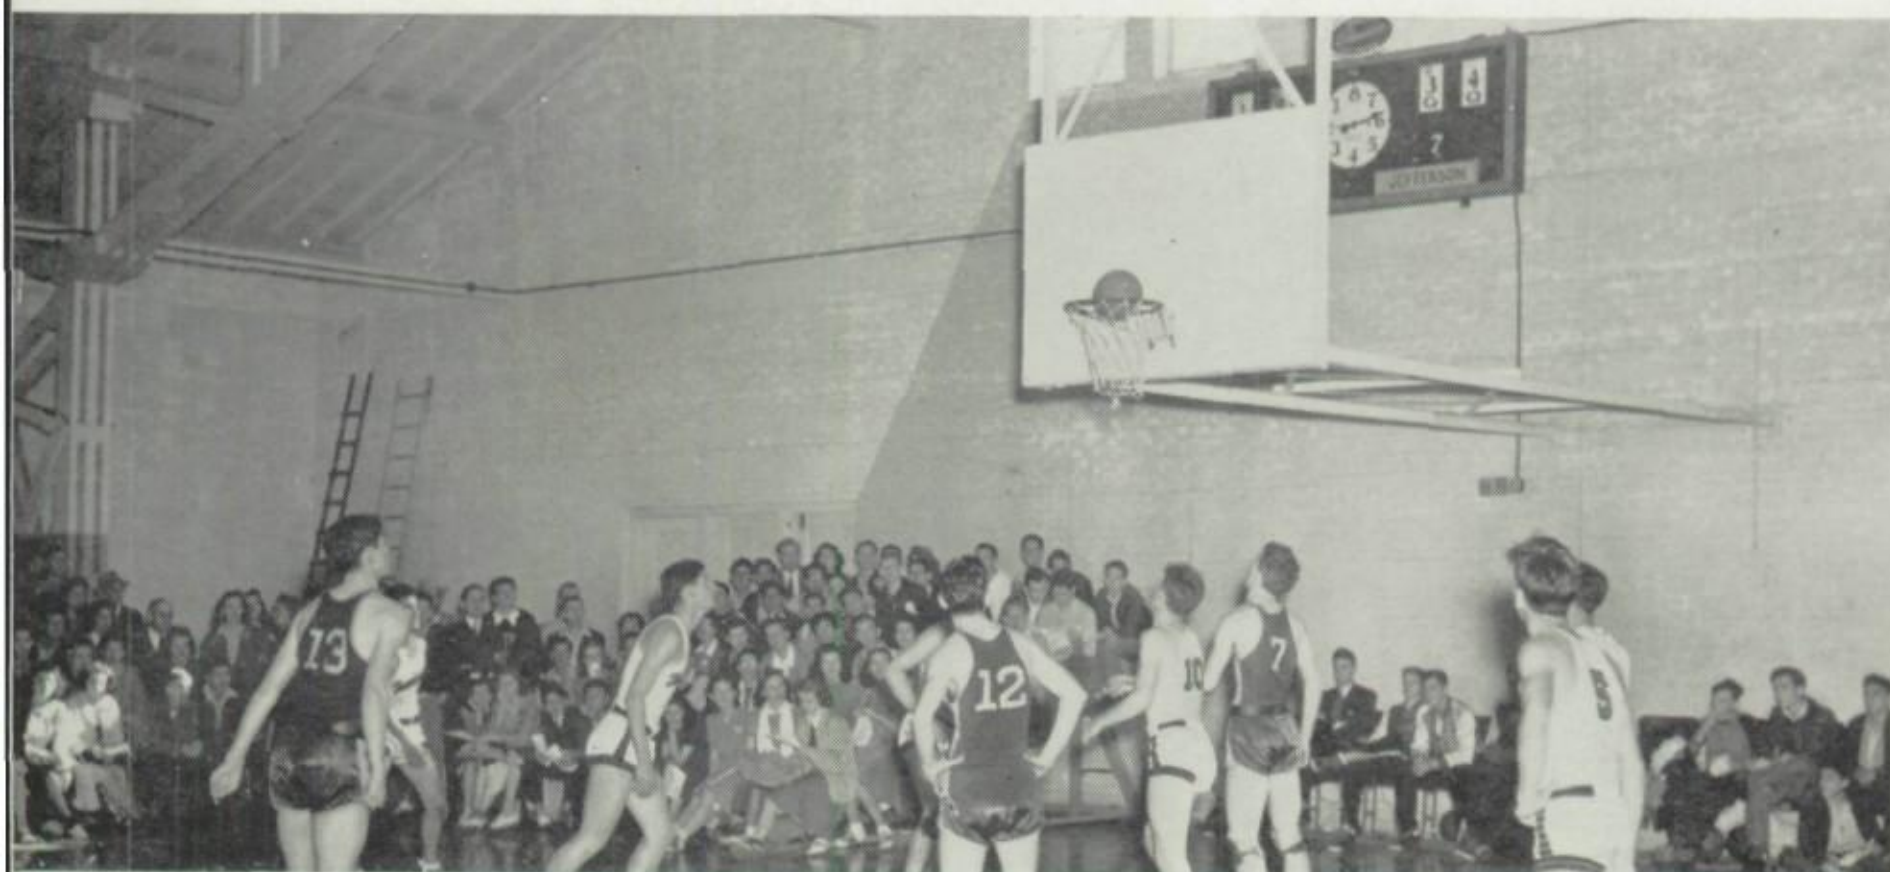

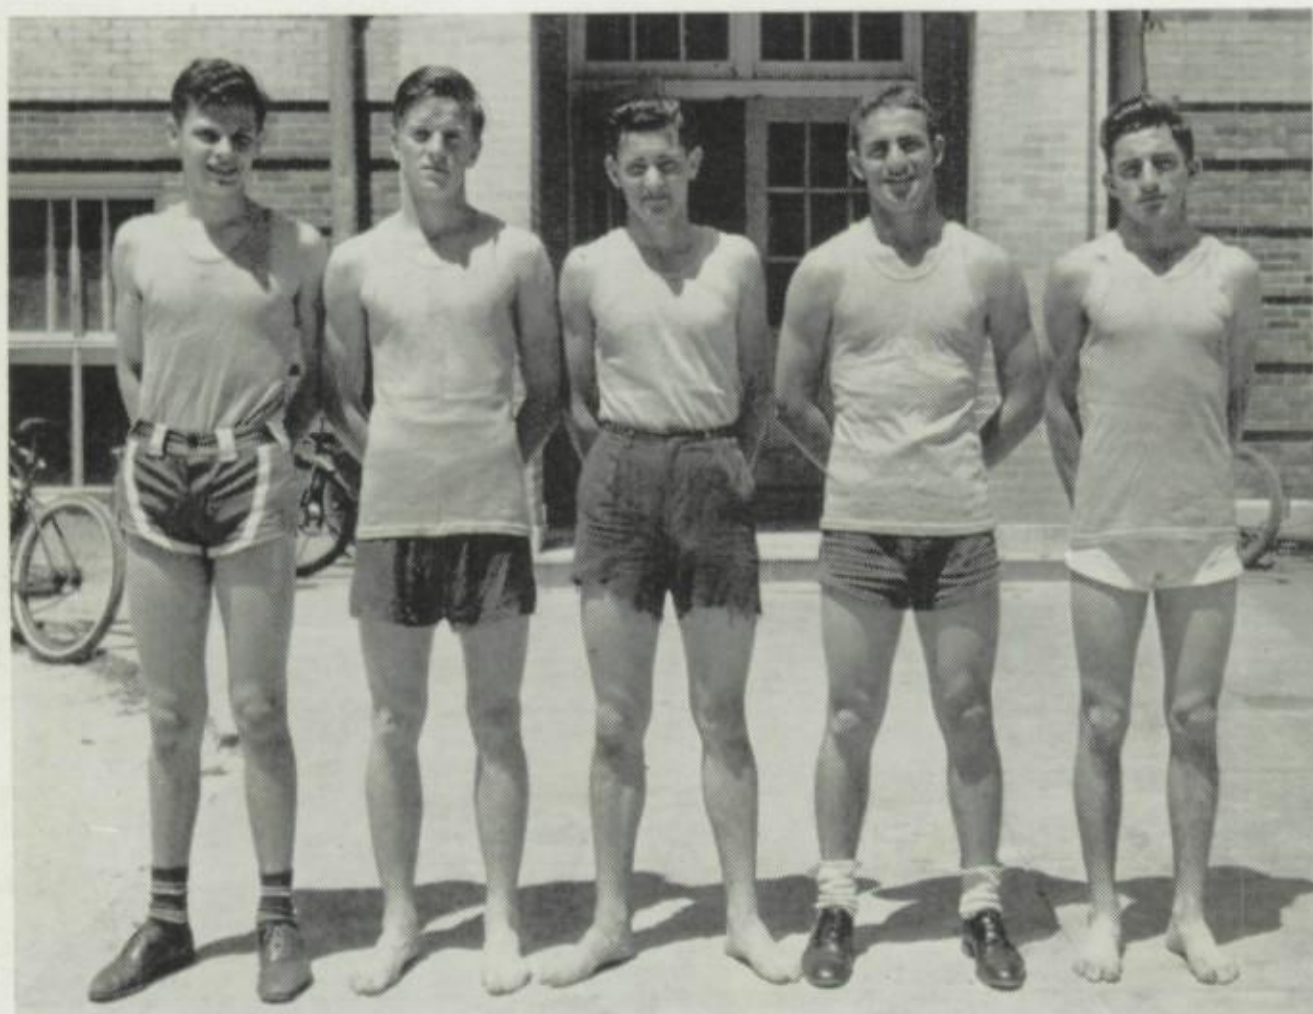

FIRST ROW, *Left to Right*: Wilford Baugh, Eugene Landers, Ralph Brown, Manuel Gonzalez, Bill Burns.
SECOND ROW: Bill Carlton, Anibal Fernandez, Bob Reed, William Tanner, Bill Sadler, Luciano Prida.

SPRINTERS: Tony Bueno, Carl Overstreet, Edwin Fonseca.

DISTANCE RUNNERS: Raymond Otero, Donald Britt, Paul Schaibly.

FIELD EVENTS: *Discus:* Billy Ragsdale. *Shot-put:* Carl Overstreet.

High jumpers: Paul Schaibly, Donald Britt.

The track team competed with Plant Hillsborough, Lakeland, and St. Petersburg. It was planned to attend the state meet at Gainesville, but due to the lack of transportation, these plans were cancelled.

Left to Right: George Bickley, Bill Jones, Bobby Mendez, Herbert Wright, Roger Birt, Donald Young, Harvey Young.

SWIMMING FLASHES AND SPLASHES

Our swimming team is a very tiny mite, having only five members but nevertheless it is a mighty mite. In its first meet, that with Hillsborough, our team defeated the vaunted Terriers to the tune of 57 to 38.

Although our team members did not shine in the freestyle events, we did win enough points to outclass Hillsborough by a wide margin.

The events and the places won are as follows:

50 yard dash—Hope, HHS; Birt, JHS; Davis, HHS; H. Young, JHS. Time: 29.

100 yard breaststroke—Hope, HHS; H. Young, JHS; Bickley, JHS; Harvey, HHS. Time: 1:15.

100 yard freestyle—H. Young, JHS; Davis, HHS; Birt, JHS; Feinber, HHS. Time: 1:02.

220 yard dash—D. Young, JHS; Hope, HHS; Feinberg, HHS; Mendez, JHS. Time: 2:40.

100 yard backstroke—D. Young, JHS; Feinberg, HHS; Birt, JHS; Harvey, HHS. Time: 1:27.

Diving—D. Young, JHS; H. Young, JHS; Davis, HHS. Points 61.

Medley relay—Jefferson, D. Young, R. Birt, H. Young. Time: 1:43.

200 yard relay—Jefferson, D. Young, R. Birt, G. Bickley, H. Young. Time: 2.

Jefferson expects this year to put a team in the state meet which is to be held at Gainesville. Members who will participate are: D. Young, H. Young, Birt, Bickley.

BASEBALL

FIRST ROW, *Left to Right*: Bob Reed, Bill Sadler, Anibal Fernandez, Joe Sosa. SECOND ROW: George Martinez, Henry McAllister, Bill Burns, Joe Poree, Conrad Delgado, Tony Perez. THIRD ROW: Tony Garcia, Luciano Prida, Bob Carroll, William Tanner, Mario Ippolita, Gonzelo Fulgueira.

Although the mighty Dragons have competed in baseball only three years, they have carved a name for themselves in this sport of sports.

The first year, though we were very green, competing with well established high schools was a hard dose but we came out at the end of the year with an even break.

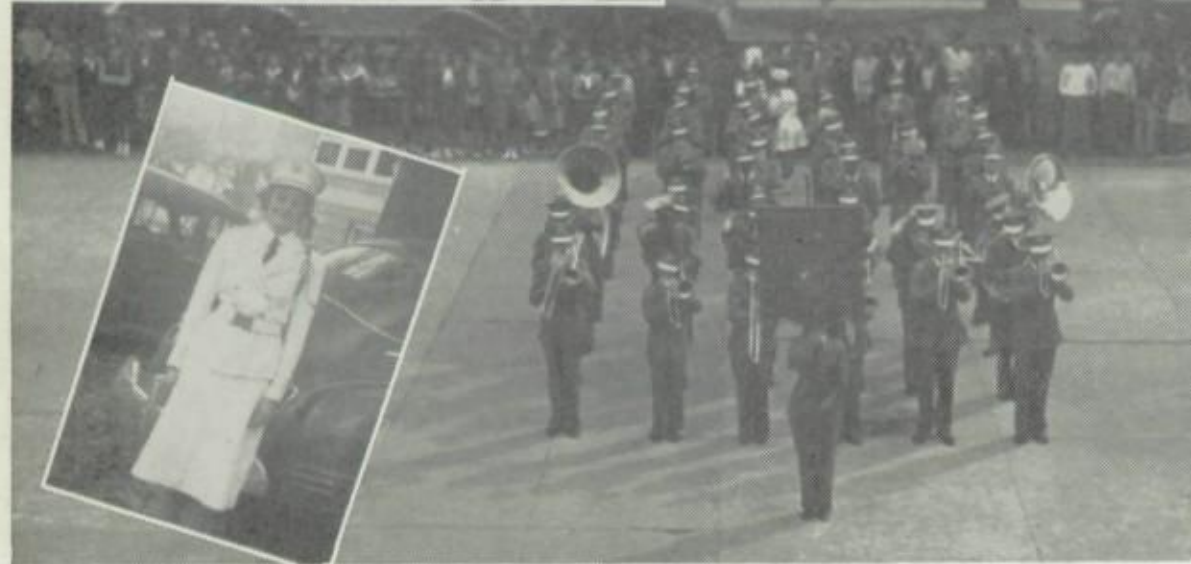

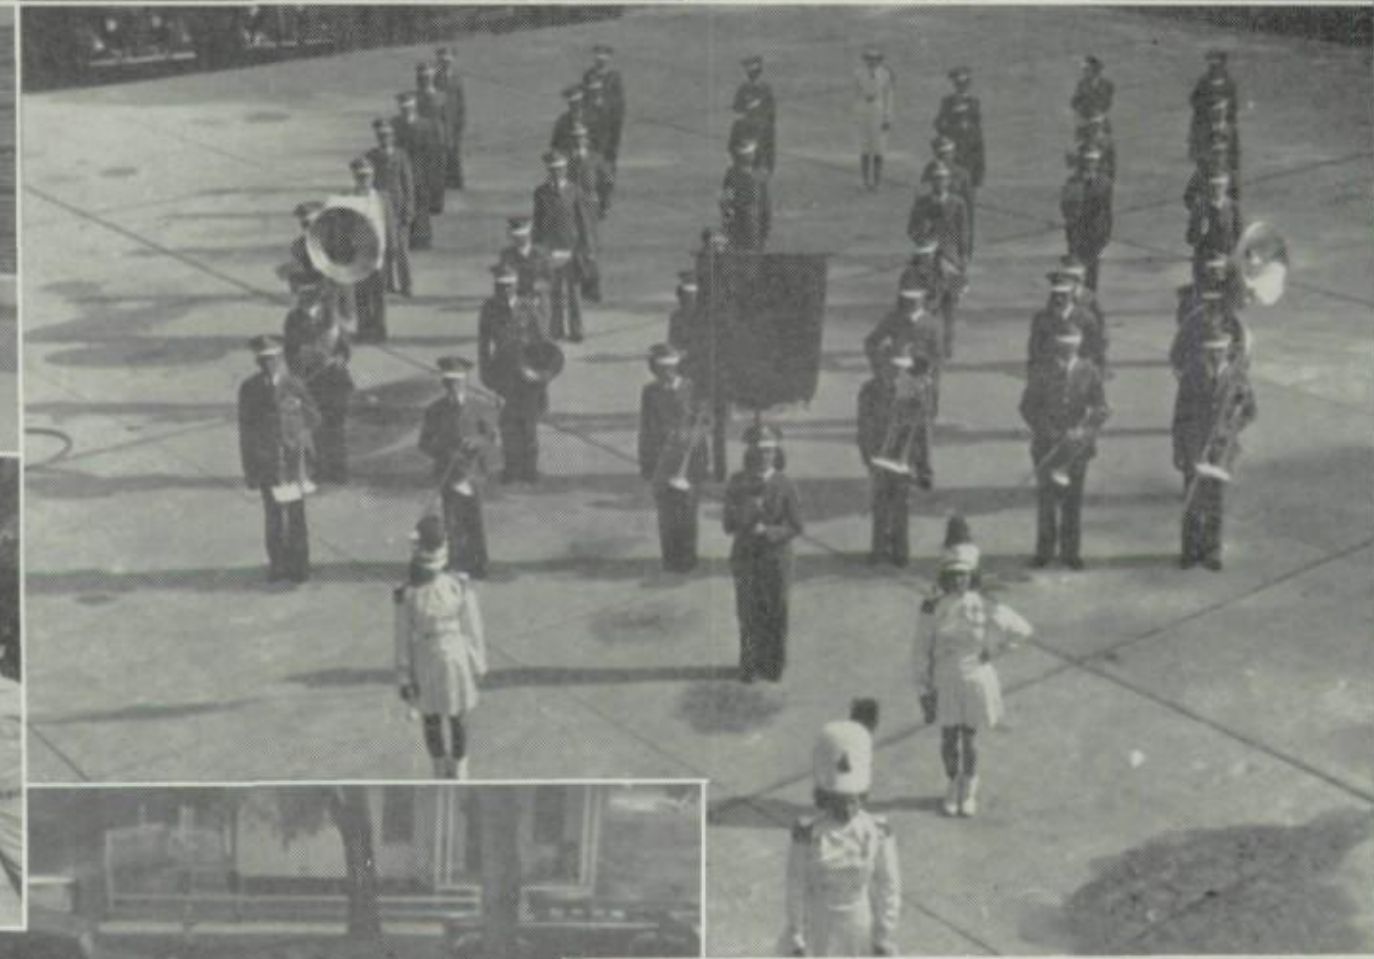

The second year team won the majority of the games and we beat Clearwater High School four times during the season.

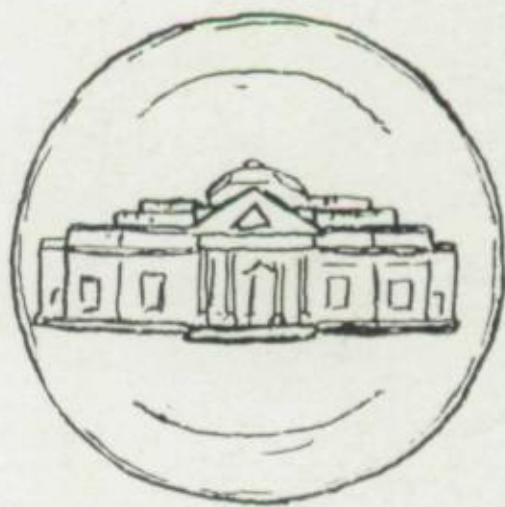

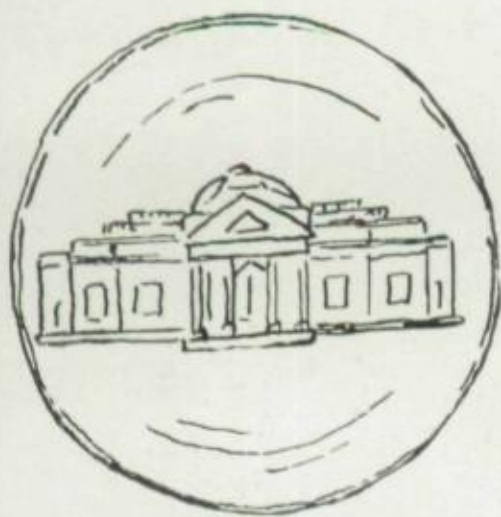

The third year we were handicapped in that most of

the first and second year men volunteered to serve our country and others to work.

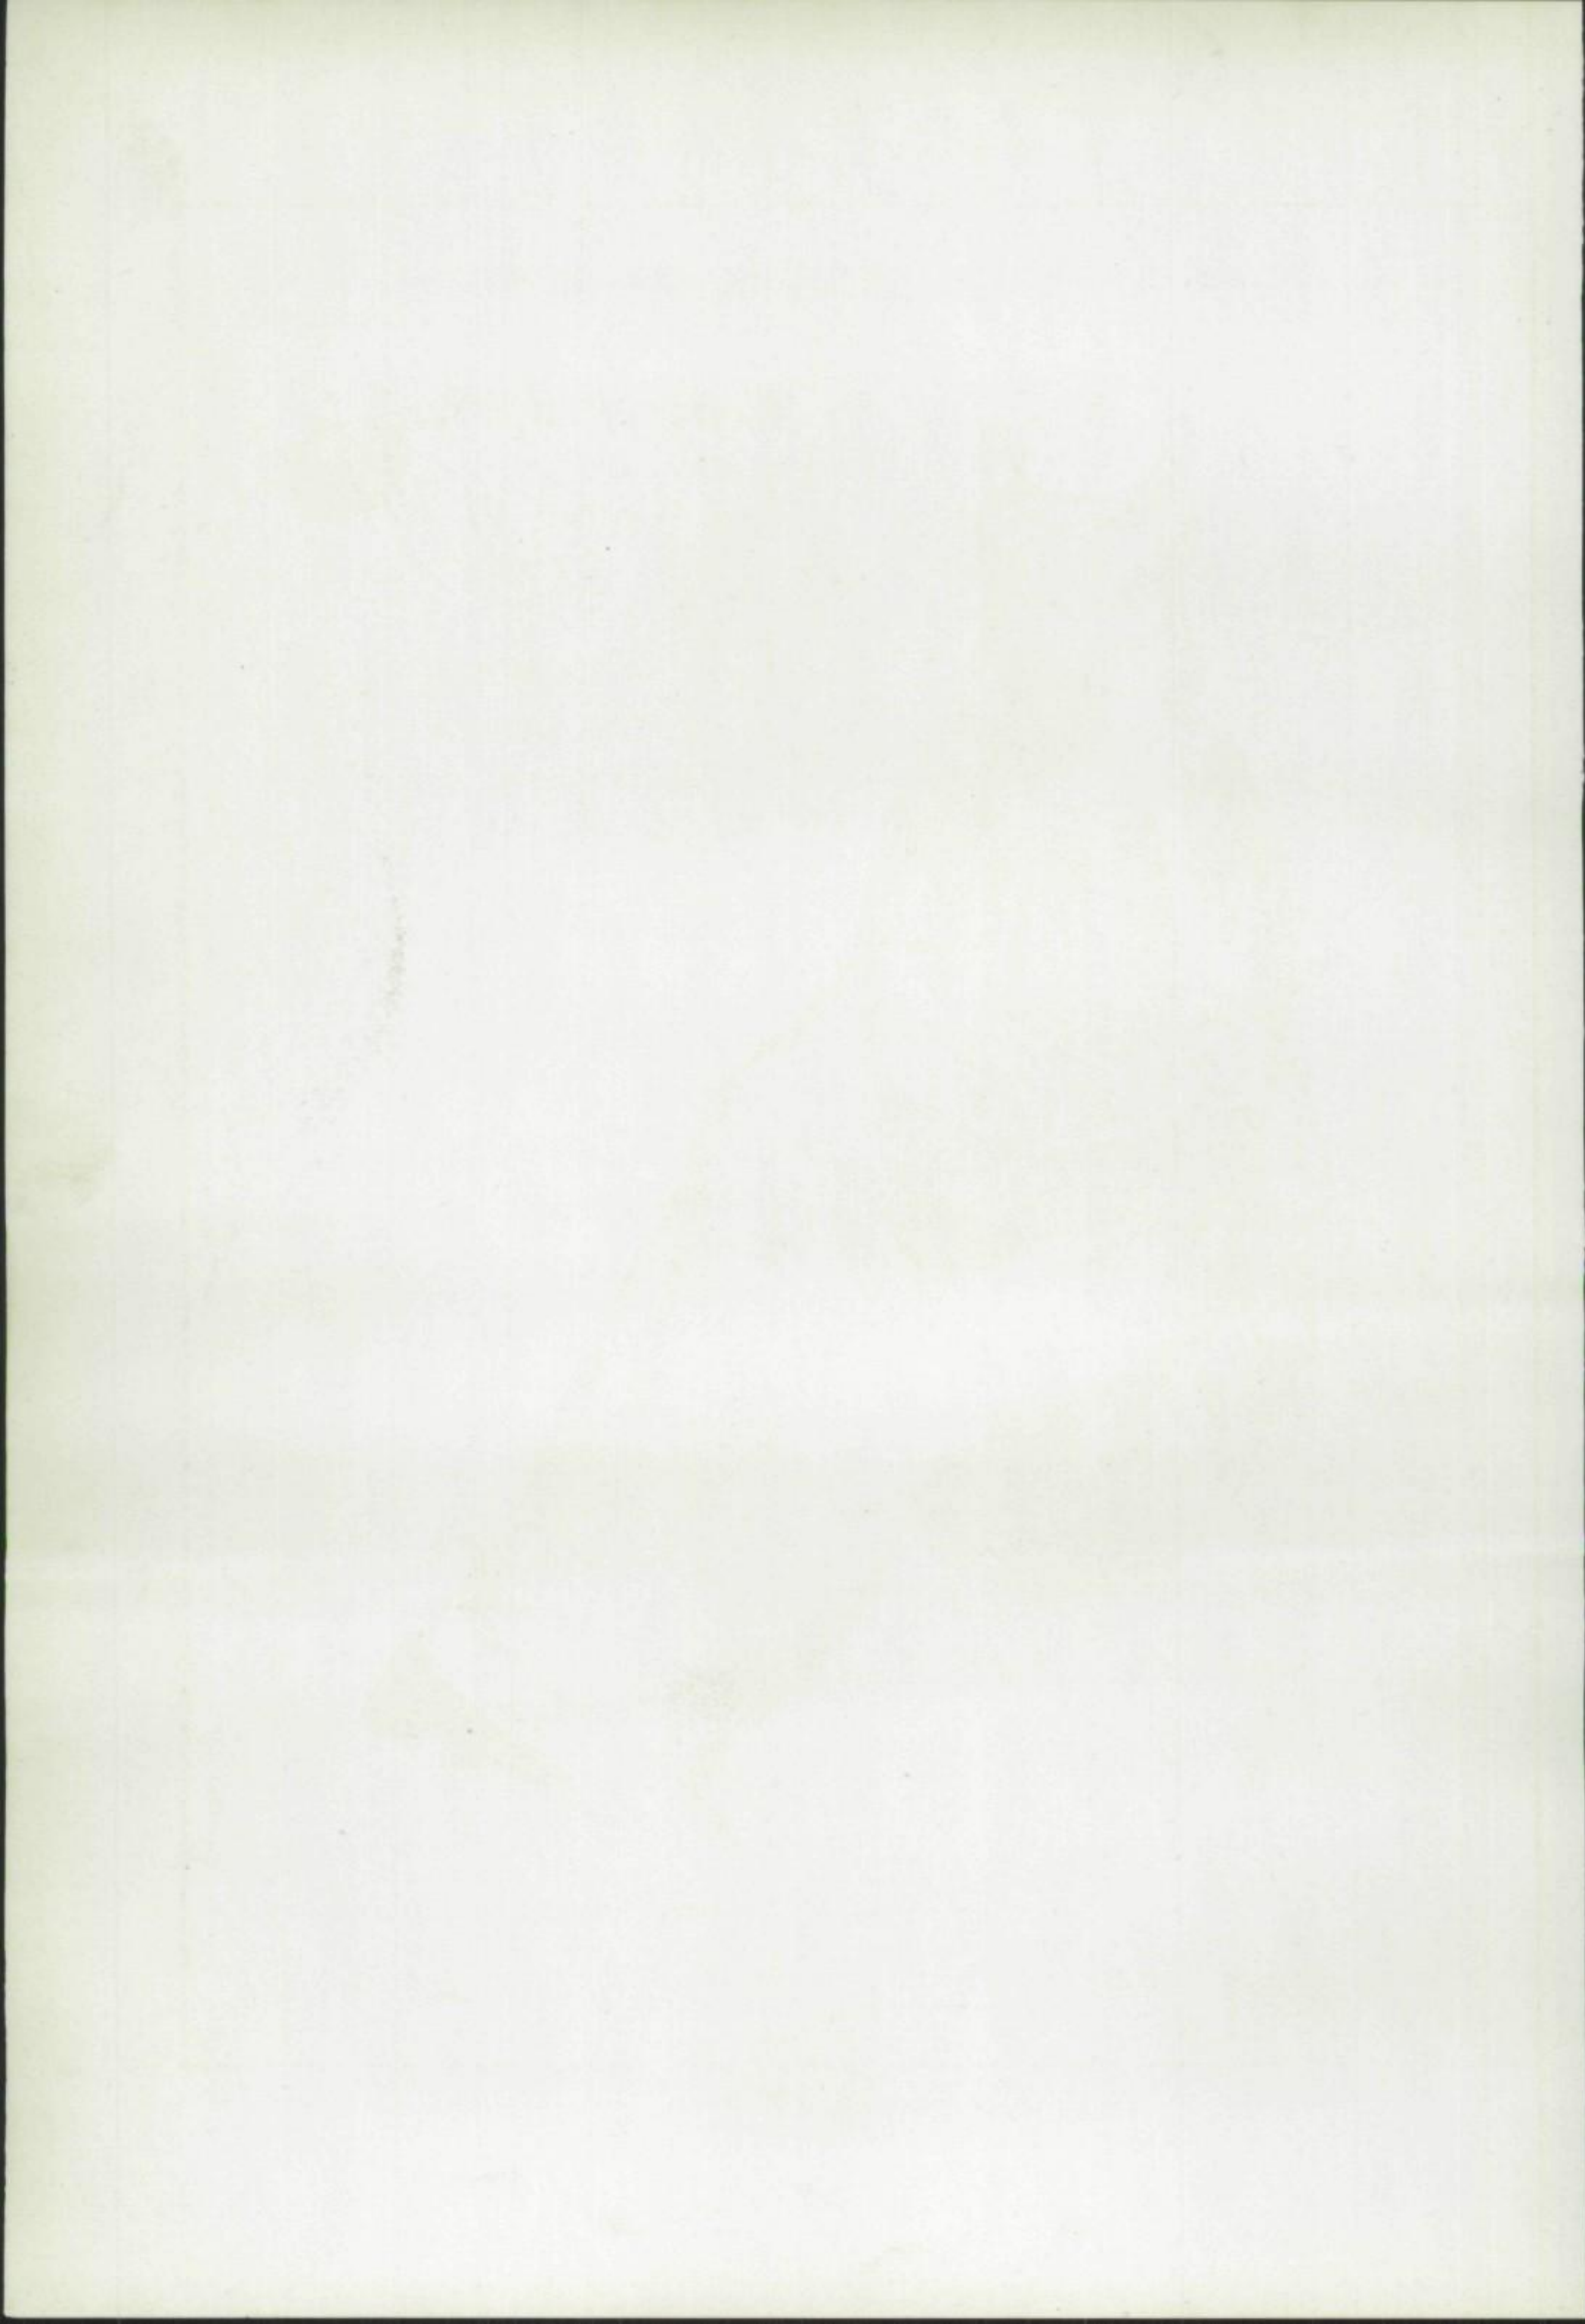

The only remaining lettermen with two years experience were Bob Reed, Anibal Fernandez, Bill Sadler, Luciano Prida, Tony Garcia, and Mario Ippolito.

As our third season closed, we held the city and county high school championship. In the deciding game, the Dragons trounced Hillsborough 18-5. This game was pitched by Anibal Fernandez and Bob Reed. Bill Sadler and Fernandez poled out a three-bagger each.
